## Current Projects

### HISTORIC DISTILLERY & HERITAGE CENTRE

The 19th century steadings at Inverharroch will be restored to its former glory through a sympathetic restoration programme to create a distillery, heritage centre and cafe.

### CABRACH TWEED

Designed by the Cabrach community to produce the Cabrach's own tweed, providing an identity and pride in the products produced from the fabric.

### CABRACH LIVES

A wide ranging community arts, culture and heritage engagement project. Cabrach Lives will capture and share visual and oral resources from it's fragile, dispersed community, preserving the heritage of the Cabrach and offering the loppportunity for the local community to get involved.

## March Events

### PEG LOOM WEAVING

**SATURDAY 6TH**

**10:00AM - 2:00PM**

Local Crofter, Marguerite, has her own flock of rare breed sheep and also uses local fleece to produce loom woven products. In this workshop you will learn about the traditional skill of loom weaving and produce your own small rug to take home.

**STANDARD: £60 / DISCOUNT: £10**

### SANDBLASTING PLAQUES

**SATURDAY 12TH**

**10:00AM - 2:00PM**

Take a walk along the Discovery Trails with Sculptor, Mary Bourne to prepare your own stencil design that will be sandblasted into a slate plaque.  
**FREE**

### DROP SPINDLE & WOOL SPINNING

**SUNDAY 13TH**

**10:00AM - 4:00PM**

Learn to spin fleece using both traditional methods of Drop Spindle and Spinning Wheel.

Katie from Sealy MacWheely will teach you from the beginning and explain the different techniques and equipment.

**STANDARD: £30 / DISCOUNT: £10**

### NATURE CONNECTION

**SATURDAY 19TH**

**10:00AM - 3:00PM**

The modern world has bought us many benefits, but one of its downsides is that we are losing a sense of connection with nature.

Join Dan Puplett as he uses a range of activities and practices, including mindfulness and bushcraft skills to strengthen our connection to nature.  
**STANDARD: £25 / DISCOUNT: £5**

### ANIMAL TRACKING

**THURSDAY 24TH**

**10:00AM - 3:00PM**

The art of tracking is one of the most powerful (and fun) tools there is for learning about and connecting to nature. Join Dan Puplett and hone your observations and detective skills to build your knowledge of wildlife in the Cabrach.

**STANDARD: £25 / DISCOUNT: £5**

## April Events

### OPENING OF THE CABRACH DISCOVERY TRAILS

**SATURDAY 2ND**

**11:00AM - 4:00PM**

The Discovery Trails are an all ability walk around Inverharroch and along the River Deveron. A new wildflower meadow, nature ponds and picnic areas have been created for the community and visitors to enjoy and provide an educational space for all.

Join us after the opening in the Acorn Centre for tea and cake.

### FORAGING

**SATURDAY 9TH**

**10:00AM - 3:00PM**

Wild food can be tasty and nourishing. Learn what you can eat in the wild with experienced forager, Dan Puplett. The emphasis is on sustainability, safety, appreciation and fun! learning about traditional uses of plants, identification, nutrition, plant ecology and much more.

**STANDARD: £30 / DISCOUNT: £10**

### LINO PRINTING

**SUNDAY 10TH**

**10:00AM - 5:00PM**

During this full day workshop we will explore Lino-cut printing using the reduction method (also known as the lost-link) and without using a press. Techniques include designing and transferring your designs onto the Lino cutting block, proof printing and making a series of colour prints. All materials are provided.

**STANDARD: £50 / DISCOUNT: £10**
